

THE NATIONAL DIRECTORY OF ALCOHOL ABUSE TREATMENT FACILITIES

NEW JERSEY

The National Directory of Drug and Alcohol Abuse Treatment Facilities is a listing of federal, state, and local government facilities and private facilities that provide substance abuse treatment services. It includes treatment facilities that (1) are licensed, certified, or otherwise approved for inclusion in the Directory by their State Substances Abuse Agency, and (2) responded to the National Survey of Substance Abuse Treatment Services (N-SSATS). The information about each facility that appears in the Directory was provided by that facility in response to the N-SSATS.

The Directory is ordered alphabetically by state, by city within each state, and by facility name within each city. Each facility listing includes codes that represent the services offered and other features of the facility, including codes that indicate services for hearing impaired and non-English-speaking clients. Codes are defined in a key shown at the back of each listing. Because the services offered by a particular facility may change over time, it is always a good idea to verify the information when contacting a facility.

<https://findtreatment.samhsa.gov>

The screenshot displays the SAMHSA Find Facility website interface. At the top, the SAMHSA logo and navigation menu are visible. The main content area features a map of New Jersey with various treatment facilities marked by colored pins. A legend in the bottom-left corner identifies facility types: Substance Use (blue), Mental Health (orange), Health Care Centers (green), and Buprenorphine Practitioners (red). On the right side, a search bar is set to '2609 East 14 Street, Suite 1018 Brooklyn, NY 11220'. Below the search bar, filters for State, County, and Distance are shown. A 'Services' section includes checkboxes for Substance Use (SU), Mental Health (MH), SU & MH, Health Care Centers, Buprenorphine Practitioners, and Veterans Affairs. A 'Facility Listing Information' panel shows a list of facilities with details such as name, address, phone number, and distance from the search location. The list includes: Greenwich House Inc (0.48 miles), Epilepsy Institute (0.51 miles), DBA Epilepsy Foundation Counseling Ctr (0.54 miles), RevCore Recovery Ctr of Manhattan/OP (0.55 miles), Lower Eastside Service Center Dual Recovery Services (0.55 miles), and LESC Unit 1 (0.55 miles).
