Searching Standards for Federal Courts:

District Courts indexed by defendant, plaintiff, and by case number. Bankruptcy Courts usually index by debtor and case number. Most case files created prior to 1999 were maintained in paper format only. Since 2006, all cases are filed electronically. Paper case files may be stored at the courthouse or forwarded to a designated Federal Records Center (see <http://archives.gov/frc>), the timeframe determined by the Court. These case files may be obtained via the Court or directly from the FRC.

Case data may be viewed PACER, the online public access program. An account is required, the fee is \$.10 per page; there is no fee if a usage does not exceed \$15.00 in a quarter. For details about PACER see the Appendix or go to <https://www.pacer.gov> or call 800-676-6856.

The copy fee is \$.50; \$.10 if electronic document is printed from terminal. Certification fee is \$11.00 per document and \$21.00 for exemplification, if available. If a case is still available from the individual federal court, the search fee is \$30.00. If the case is at the Archives, the case can be ordered from the court. The fee to retrieve a paper file is \$64.00 for the first box and \$39.00 ea add'l box. Also, the public can order copies direct online from the National Archives. Copies can be delivered by mail, fax, or email. See more information, including fees, at www.archives.gov/research/court-records/55.

Details on the Trial Court Structure

The Superior Court has five Divisions: **Criminal, Civil, Family, Probate, and Environmental**. The Civil Division of the Superior Court hears predominantly civil, tort, real estate, and small claims cases. On rare occasion it hears criminal cases, but the Criminal Division of the Superior Court hears predominantly criminal cases, but will also hear some civil suspension cases, fish and wildlife violations, and appeals from the Judicial Bureau. Specialty courts include Probate Division Courts and Family Division Courts. The Environmental Division hears municipal land use enforcement cases and enforcement actions brought by states natural resources agencies.

In Vermont, the **Judicial Bureau** has jurisdiction over traffic, municipal ordinances, and Fish and Game violations, minors in possession, and hazing. The Judicial Bureau docket civil violation complaints, schedules hearings, and receives fine payments. The clerk's office is at the Courthouse in White River Junction.

Vermont Recording Offices

Organization:

Vermont has 14 counties and 246 towns/cities which have 246 recording offices. There is **no county recording** in this state. **All recording is done at the city/town level.** Many towns are so small that their mailing addresses are in different towns. 4 towns had the same names as cities - Barre, Newport, Rutland, and St. Albans. 11 cities or towns bear the same name as a Vermont county - Addison, Bennington, Chittenden, Essex, Franklin, Grand Isle, Orange, Rutland, Washington, Windham, and Windsor. Vermont is in the Eastern Time Zone (EST).

Types of Documents Recorded

The Town Clerk's Office is responsible for providing services to the public including the receiving and recording of all land record documents, vital statistics, voter registration, preparing and officiating all elections and Town Meeting, issuance of certified copies of birth, death and marriage certificates, and the issuance of civil marriage licenses and dog licenses.

Searching Real estate Records:

Most towns/cities will not perform real estate searches. Real estate record copy fees and certification fees vary. Copy fee is usually \$1.00 per page. Certified copy fee varies some counties still charge \$7.00 per page, most charge \$10.00. Many towns are now charging a \$2.00 per hour vault time fee for in-person searches, some add on \$5.00 for Clerk's time in vault.

Searching UCC Records:

Since July 1, 2001, only real estate collateral is filed at the local level. Some but not all recording offices will perform UCC searches. Use search request form UCC-11. UCC search fee is usually \$10.00 per name.

Searching Tax Lien Records:

All federal and state tax liens on personal property and on real property are filed with the Town/City Clerk in the lien/attachment book and indexed in real estate records. Most towns/cities will not perform tax lien searches.

Online Access:

There is no statewide online access to recorded documents or assessor data.

However approx. 25 towns offer online access to recorder's documents and approx. 46 towns offer online access to assessor's data.
