

THE NATIONAL DIRECTORY OF ALCOHOL ABUSE TREATMENT FACILITIES

WEST VIRGINIA

The National Directory of Drug and Alcohol Abuse Treatment Facilities is a listing of federal, state, and local government facilities and private facilities that provide substance abuse treatment services. It includes treatment facilities that (1) are licensed, certified, or otherwise approved for inclusion in the Directory by their State Substances Abuse Agency, and (2) responded to the National Survey of Substance Abuse Treatment Services (N-SSATS). The information about each facility that appears in the Directory was provided by that facility in response to the N-SSATS.

The Directory is ordered alphabetically by state, by city within each state, and by facility name within each city. Each facility listing includes codes that represent the services offered and other features of the facility, including codes that indicate services for hearing impaired and non-English-speaking clients. Codes are defined in a key shown at the back of each listing. Because the services offered by a particular facility may change over time, it is always a good idea to verify the information when contacting a facility.

<https://findtreatment.samhsa.gov>

The screenshot displays the SAMHSA Find Facility website. The top navigation bar includes links for Home, About, FAQs, Locator Map, State Agencies, Widgets, Contact Us, Help, and Video Tutorial. The main content area features a map of New York with various facility locations marked by colored dots. A legend on the left identifies facility types: Substance Use (blue), Mental Health (green), Health Care Centers (yellow), and Buprenorphine Practitioners (orange). On the right, the 'Find Facility' search bar is active, showing a search for '2609 East 14 Street, Suite 1018 Brooklyn, NY 1122'. Below the search bar, a list of facilities is displayed, including 'Greenwich House Inc DBA Epilepsy Foundation Counseling Ctr', 'Epilepsy Institute', 'RevCore Recovery Ctr of Manhattan/OP', 'Lower Eastside Service Center Dual Recovery Services', and 'LESC Unit 1'. Each listing includes the address, phone number, and a 'More Information' link.
