

THE NATIONAL DIRECTORY OF MENTAL HEALTH TREATMENT FACILITIES

MINNESOTA

The National Directory of Mental Health Treatment Facilities is a listing of federal, state, and local government facilities and private facilities that provide mental health treatment services. It includes treatment facilities that responded to the National Substance Use and Mental Health Services Survey (N-SUMHSS). The information about each facility that appears in this Directory was provided by that facility in response to the N-SUMHSS.

The Directory is ordered alphabetically by state, by city within each state, and by facility name within each city. Each facility listing includes codes that represent the services offered and other features of the facility, including codes that indicate services for hearing impaired and non-English-speaking clients. Codes are defined in a key shown at the back of each listing. Because the services offered by a particular facility may change over time, it is always a good idea to verify the information when contacting a facility.

The screenshot displays the SAMHSA website interface. At the top, the SAMHSA logo and navigation menu are visible. A search bar is located in the top right corner. Below the search bar, there are filters for State, County, and Distance. The main content area features a map of the United States with a red arrow pointing to Minnesota. To the right of the map, there is a list of facility listings with details such as name, address, and phone number. The list includes entries like 'Greenwich House Inc', 'Epilepsy Institute', 'RevCore Recovery Ctr of Manhattan/OP', 'Lower Eastside Service Center', and 'LESC Unit 1'.
