### Searching Standards for Federal Courts:

District Courts index by defendant, plaintiff, and by case number. Bankruptcy Courts usually index by debtor and case number. Most case files created prior to 1999 were maintained in paper format only. Since 2006, all cases are filed electronically. Paper case files may be stored at the courthouse or forwarded to a designated Federal Records Center (see <http://archives.gov/frc>), the timeframe determined by the Court. These case files may be obtained via the Court or directly from the FRC.

Case data may be viewed PACER, the online public access program. An account is required, the fee is \$.10 per page; there is no fee if a usage does not exceed \$15.00 in a quarter. For details about PACER see the Appendix or go to <https://www.pacer.gov> or call 800-676-6856.

The copy fee is \$.50; \$.10 if electronic document is printed from terminal. Certification fee is \$11.00 per document and \$21.00 for exemplification, if available. If a case is still available from the individual federal court, the search fee is \$30.00. If the case is at the Archives, the case can be ordered from the court. The fee to retrieve a paper file is \$64.00 for the first box and \$39.00 ea add'l box. Also, the public can order copies direct online from the National Archives. Copies can be delivered by mail, fax, or email. See more information, including fees, at [www.archives.gov/research/court-records/55](http://www.archives.gov/research/court-records/55).

## Details on the Court Structure

**Circuit Courts** hear felony criminal prosecutions and civil lawsuits.

**Chancery Courts** have jurisdiction over matters involving equity; domestic matters including adoptions, custody disputes and divorces; guardianships; sanity hearings; probate, wills; and challenges to constitutionality of state laws. Land records are filed in Chancery Court. Chancery Courts have jurisdiction over juvenile matters in counties which have no County Court.

**County Courts** have exclusive jurisdiction over eminent domain proceedings and juvenile matters, among other things. In counties which have a County Court, a County Court judge also serves as the Youth Court judge. County Courts share jurisdiction with Circuit and Chancery Courts in some civil matters. The jurisdictional limit of County Courts is up to \$200,000, County Courts may handle non-capital felony cases transferred from Circuit Court. County Courts have concurrent jurisdiction with Justice Courts in all matters, civil and criminal. The operations of Circuit and County Courts are usually combined in a county, except in Harrison County.

**Justice Courts** have jurisdiction over small claims civil cases involving amounts of \$3,500 or less, eviction cases, misdemeanor criminal cases and any traffic offense that occurs outside a municipality.

**Municipal Courts** have jurisdiction over misdemeanor crimes, municipal ordinances and city traffic violations.

**Drug Courts** are special courts which address crimes committed by persons addicted to drugs or alcohol. Youth Courts generally deal with matters involving abuse and neglect of juveniles, as well as offenses committed by juveniles. There are 83 youth courts. Youth Court is under the County Court in 21 counties, 61 under County Courts and one under a Municipal Court.

## Record Searching Facts You Need to Know

### Fees and Record Searching Tips

A number of Mississippi counties have two Circuit Court Districts. A search of either court in such a county will include the index from the other court. Full name is a search requirement for all courts. DOB and SSN are very helpful for differentiating between like-named individuals.

### Records May Be Ordered by Fax

The Administrative Office of Courts offers a statewide search of civil, probate, or felony records by a fax request with a normal 24 hour turnaround time. Only criminal felony cases with dispositions are reported, misdemeanor cases are not unless reported unless the case started as felony and was moved to misdemeanor status. Request should include the name, DOB and full or partial SSN. The results report the county and docket number of the case. There is a \$25.00 start-up fee and a \$5.00 fee per name search. Call 601-576-4630 or fax 601-576-4639 for details.

**Online Access is Limited**

Mississippi is implementing the Mississippi Electronic Courts System (MEC). The MEC System is a comprehensive case management system which allows courts to offer electronic case filing and to maintain electronic case files using the Web. The system closely resembles the Federal Courts' CM/ECF case management system. At least 21 Circuit, County and Chancery Courts are participating with more courts planning to participate in the near future. Attorneys registered with MEC may file and view documents from any court participating on the system.

**How MEC Works:**

MEC provides access to case documents filed electronically. There is a \$10.00 annual registration fee and a charge of \$.20 per page to view documents. Criminal, civil, probate, and eviction cases are among those cases available. Divorce, adoption, mental commitment and debt collection cases are not available. Records may be searched by case number, file date, nature of the case or suit, attorney name, and by party name. However there are no identifiers used as part of a name search and limited identifiers are shown on results. Also this time there is no indication on the web page of the through put of records for the participating courts. Some courts are adding their historical electronic case files and some courts do not have historical electronic cases to place on the system.

In summary, at this time the MEC is not an online/onsite equivalent system, use caution. For details visit <http://courts.ms.gov/mec/mec.html>.

A number of counties participate with a vendor to provide access to document images on a subscription basis. These counties are indicated herein.

# Mississippi Recording Offices

## Organization:

82 counties, 92 recording offices. The recording officers are Chancery Clerk, and Clerk of Circuit Court for state tax liens. Ten counties have two separate recording offices - Bolivar, Carroll, Chickasaw, Harrison, Hinds, Jasper, Jones, Panola, Tallahatchie, Yalobusha. Mississippi is in the Central Time Zone (CST).

## Types of Documents Recorded

Documents include all Deeds, Deeds of Trust, Power of Attorney, Federal Tax Liens, Military Discharges, Bankruptcy Petitions, lis pendens notices, construction liens, powers of attorney, court related judgments, and DD214's.

## Real estate Records:

Very few counties will perform real estate searches. Copies usually cost \$.50 per page and certification fee \$1.00 per cert/seal. Self serve copies are \$.25 each; some counties require an account be setup to qualify for the \$.25 rate.

## Searching UCC Records:

Until July, 2001, financing statements were filed both at the state level and with the Chancery Clerk, except for consumer goods, farm-related and real estate-related filings which were filed only with the Chancery Clerk. Now, only real estate-related filings are filed at the county level. A dwindling number of counties will perform UCC searches. Use search request form UCC-11 or the state form. UCC search fee is usually \$5.00 per debtor name (or \$10.00 on non-standard form); copy fees vary from \$.50 to \$2.00 per page.

## Tax Lien Records:

Federal tax liens on personal property of businesses are filed with the Secretary of State. Federal tax liens on personal property of individuals are filed with the county Chancery Clerk. The office files and records all Deeds, Deeds of Trust, Power of Attorney, Federal Tax Liens, Military Discharges, Bankruptcy Petitions, lis pendens notices, construction liens, powers of attorney, court related judgments, and DD214's. State tax liens on real property are filed with the Chancery Clerk. Chancery Clerk offices may perform a federal tax lien search for a \$5.00 fee per name.

## Online Access:

A limited number of counties offer online access to records. There is no statewide system except for the Secretary of State's UCC access and the Dept. of Revenue Statewide Property Rolls.
